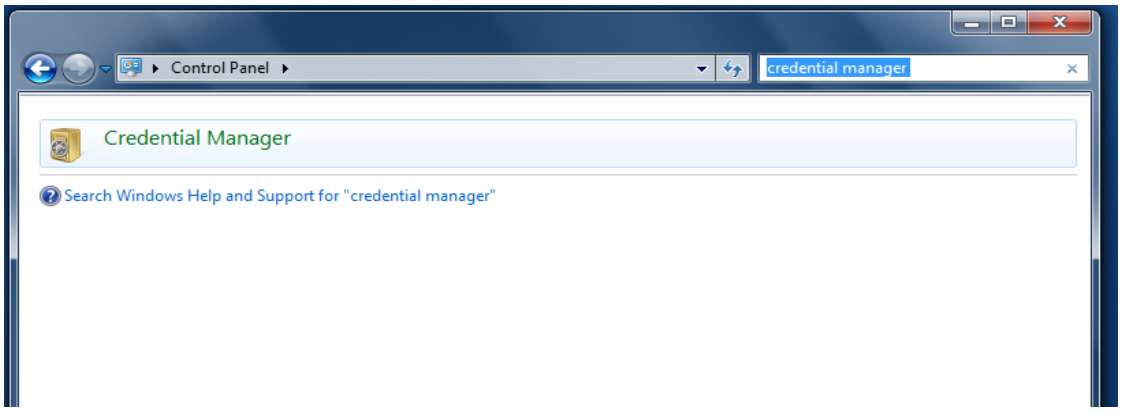
UNIVERSITY OF GOTHENBURG

User manual for Credential Manager

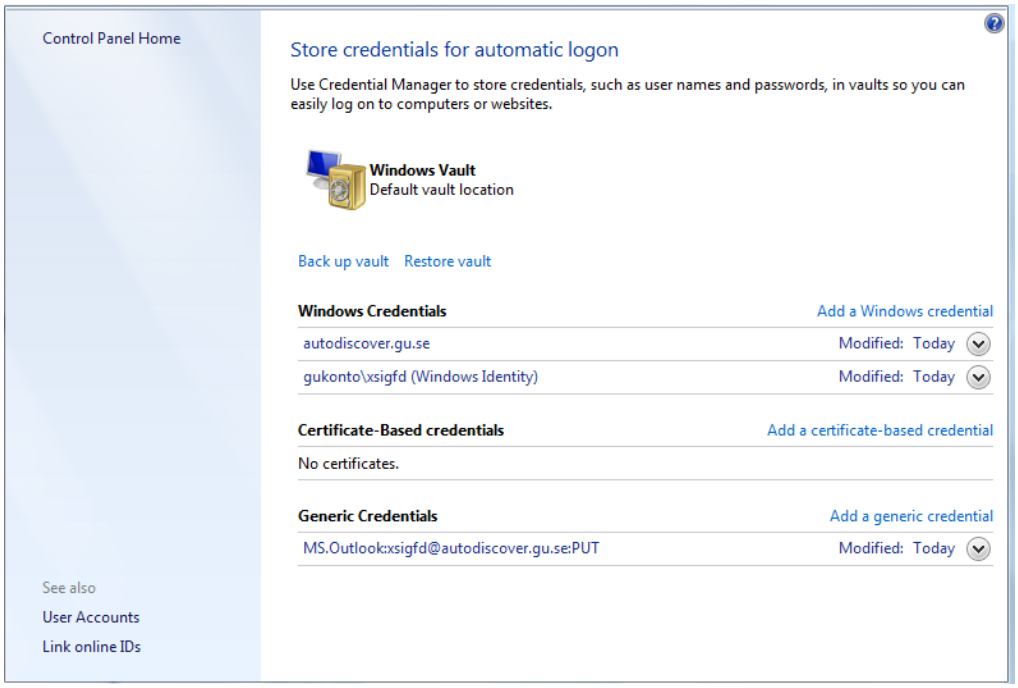
Log on to the Outlook client as described in the Outlook manual, before making these settings.

Start the control panel and type **Credential Manager** at the top of the right-hand field.

Or type **Credential Manager** directly into the search field under the Start button “Sök bland program och filer”.

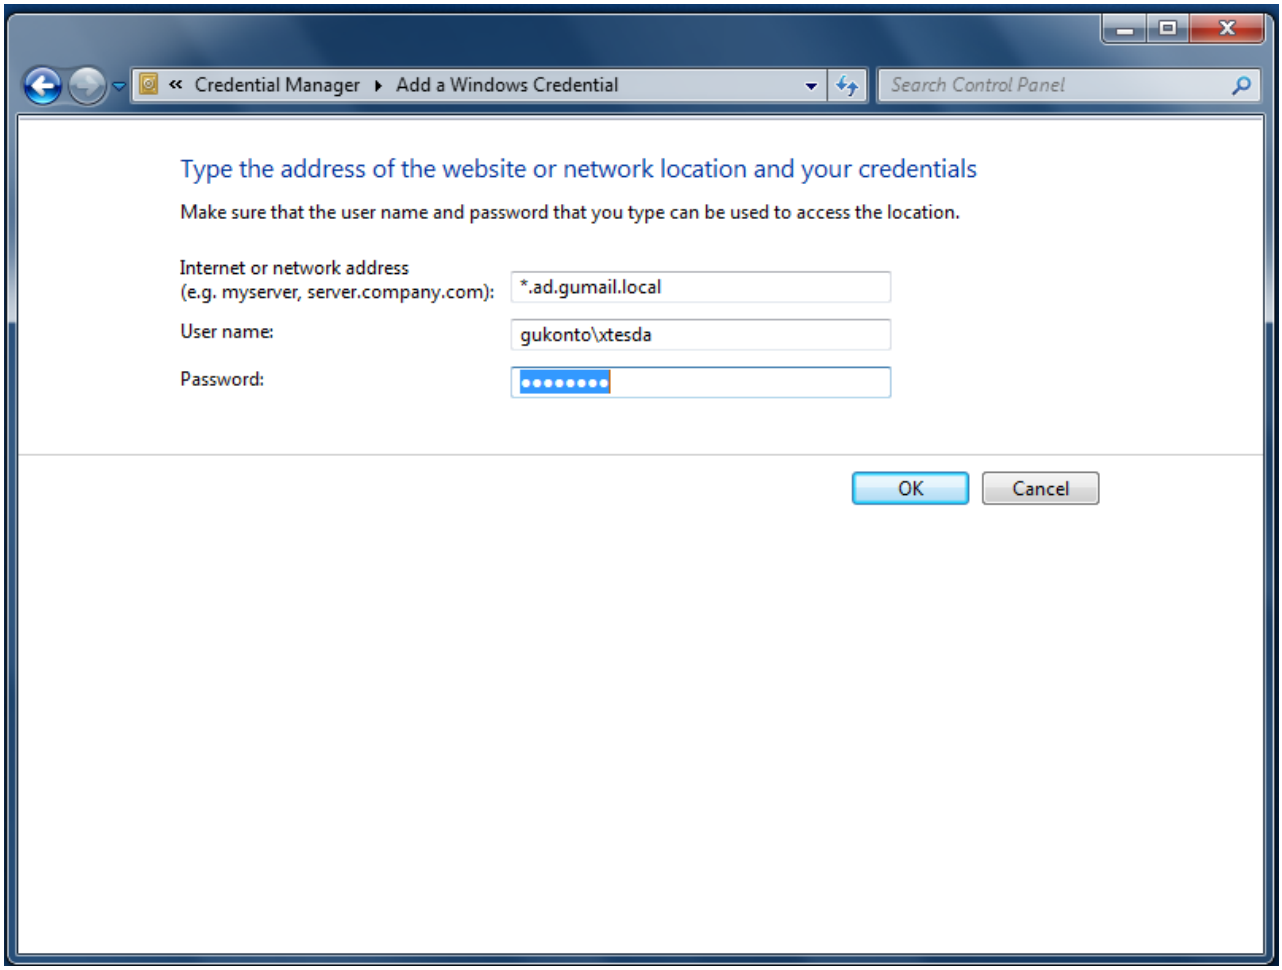


Click on **Credential Manager**.



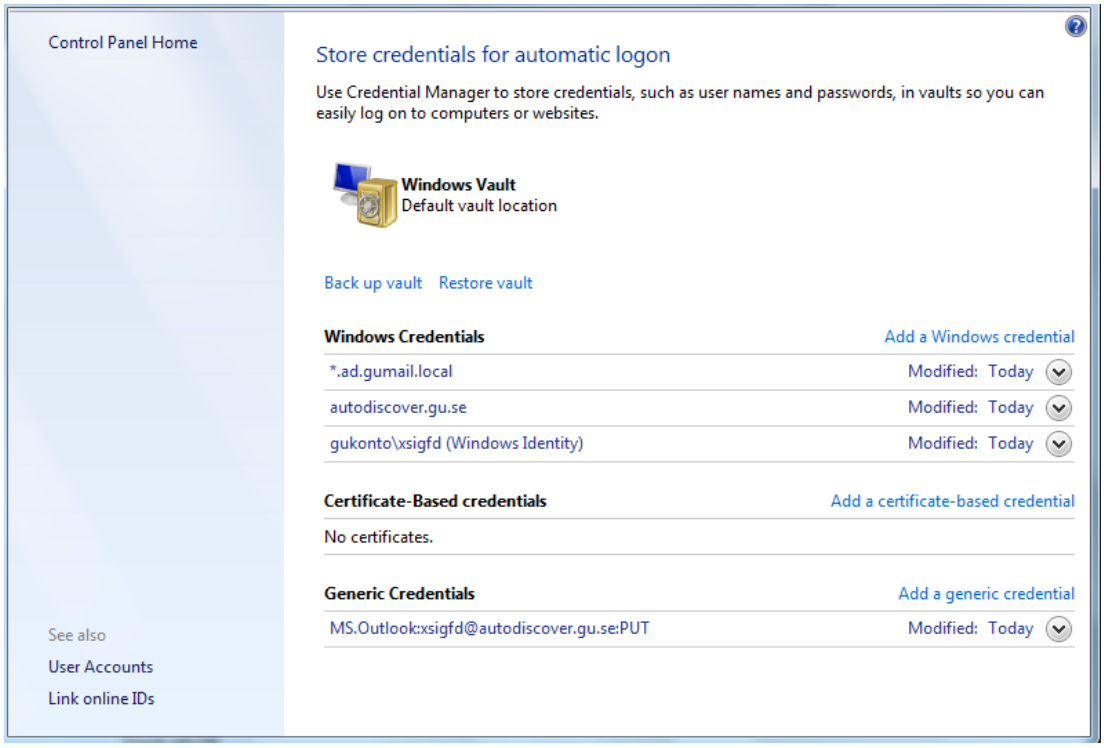
Click on **Add a Windows credential**:

Fill in the address: *.ad.gumail.local and your login information.



« Credential Manager ▸ Add a Windows Credential
Search Control Panel
Type the address of the website or network location and your credentials
Make sure that the user name and password that you type can be used to access the location.
Internet or network address
(e.g. myserver, server.company.com):
*.ad.gumail.local
User name:
gukonto\xtesda
Password:
OK
Cancel

Click on **OK**



Close the dialogue box.
